SERIES PREMISE

> **Logline:** When 14-year-old Jacques "Just Jack" Roberts is sent to live with his ex-spy uncle in a crumbling family theater, chaos, comedy, and hidden secrets erupt. One part drama club, one part secret agent, this found-family comedy is all heart.

Jack moves in with Terrence, a paranoid former government agent, and immediately clashes with his cousin Cammie and nosy tech-whiz neighbor Abraham. Together, they uncover strange clues in the theater tied to Jack's dad's mysterious past, all while navigating middle school, family weirdness, and the rules of spy survival.
