

Genre: Tech Thriller / Romantic Suspense **Format:** Feature Film (90-100 mins) **Status:** Script & Deck Available

THE ELEVATOR SELL

When rising influencer Taylor Monroe is accused of cyberbullying her rival into suicide, she loses everything overnight: brand deals, fans, and control of her own narrative. But when she teams up with a disgraced journalist to uncover the truth, they expose a deadly conspiracy of fake followers, digital blackmail, and one woman who faked her death to escape it all.

Searching meets Gone Girl, with a romantic pulse and Gen Z bite.

WHY IT SELLS

- ✓ Built-in thriller hook with timely tech angle
- ✓ Female-led mystery with layered romance
- ✓ Diverse, stylish, contemporary
- ✓ Explores influencer culture, AI bots, digital identity
- ✓ Perfect for streaming with TikTok/IG promo potential
- ✓ Highly rewatchable and meme-able
