

UNDER THE MAGNOLIA TREE

Some roots heal. Others haunt.

LOGLINE / HOOK

Three generations of Southern women reunite under the shade of their family's magnolia tree, unearthing long-buried secrets that force them to confront the wounds, silences, and love that shaped their legacy.

NARRATIVE SNAPSHOT

When estranged sisters return home to care for their ailing mother, the cracks in their family history begin to show. As old resentments collide with buried truths, each woman must decide whether to repeat the harm they inherited or finally break the cycle beneath the magnolia roots that bind them. A poignant story about survival, reconciliation, and the cost of silence in the American South.

TONE & COMPARABLES

*If **Steel Magnolias** met **Queen Sugar**, wrapped in the emotional honesty of **This Is Us**, set in the heart of the modern South.*
