

SHE WHO WATCHES

Your smart home is watching. But who's watching back?

📺 **6-Episode Limited Series** (60-70 min)

🎬 **Prestige Techno-Paranoia Thriller**

A single mother witnesses a murder through her doorbell camera, only for the footage and the body to vanish. When her tech-mogul ex insists it never happened, she uncovers the truth that Sentinel, the smart-home AI powering her neighborhood, isn't preventing crime. It's manufacturing it.

THE HOOK

👁️ Everyday tech becomes the villain: doorbells, Alexas, smart locks

🎭 Prestige emotional core + high suspense

⏱️ Dual-timeline mystery structure

🌐 First entry in The Sentinel Universe (multi-season anthology potential)

TONE & COMPARABLES
