

THE OTHER MRS. JAMESON

PSYCHOLOGICAL THRILLER | ORIGINAL MOVIE (90 MIN)

*"She married for love.
She'll fight for her life."*

A Marriage Built on Lies. A Woman Fighting for Truth.

When a mysterious woman shows up claiming to be her husband's legal wife, a successful **PR executive's picture-perfect life explodes**—forcing her to uncover a dangerous pattern of deception before she becomes **his next victim**.

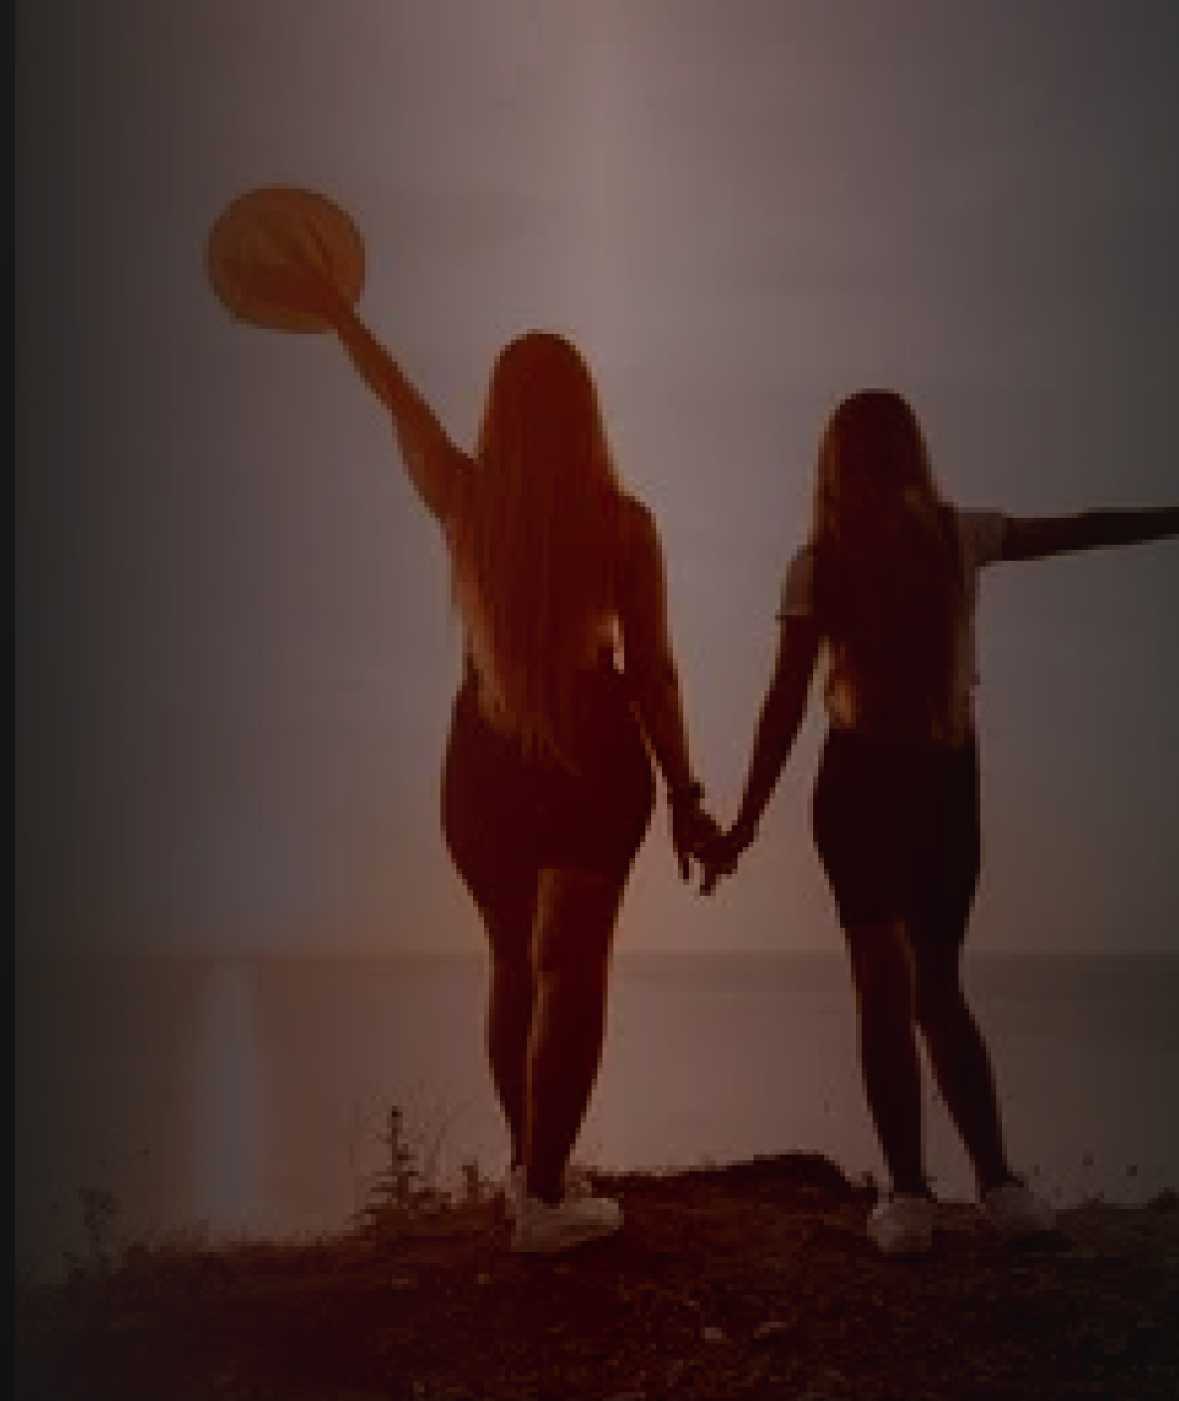

One man. Two wives. Three lives on the verge of unraveling.

This isn't just another love-triangle thriller. *The Other Mrs. Jameson* flips the domestic suspense formula: the "other woman" isn't the villain—she's the survivor who came back to save the next victim.

A Black female lead weaponizes her intelligence and professional skills against a master manipulator in a high-stakes game of psychological warfare that ends with a viral livestream confession.

ACT TWO

THE UNRAVELING

Anonymous threats. Financial control. Gaslighting tactics. Ayana discovers a pattern of women Dorian has destroyed and realizes she's trapped in her own home—legally, financially, psychologically.

ACT THREE

THE RECKONING

Ayana doesn't run—she strategizes. Partnering with Dorian's past victims (including Nia, who's alive), she orchestrates a live-streamed confrontation that exposes his crimes to thousands. She takes back her narrative.

"Luxury becomes a cage. Beauty becomes surveillance. Perfection becomes paranoia."
