FEATURE FILM | TECHNO-THRILLER

THE PREMISE

One death. Zero record.

LOGLINE

After a passenger dies aboard an international flight and is erased from its digital manifest, a guilt-haunted accident investigator must expose a private intelligence contractor capable of manufacturing and deleting human identities before everyone trapped inside a remote French airport is permanently rewritten out of existence.

A contained airport thriller with global stakes.

THE HOOK

A passenger dies.

Minutes later, every system says she was never there.

In this world, identity is not stolen. It is edited.

CREATIVE POSITIONING

Tense. Intelligent. Propulsive.

A paranoid aviation mystery that expands into a muscular international conspiracy thriller.

FLIGHTPLAN

Contained aviation mystery

01

ENEMY OF THE STATE

Surveillance conspiracy

02

SOURCE CODE

Propulsive identity puzzle

03

THE NIGHT AGENT

Accessible institutional thriller

04

UNKNOWN

Stolen identity and pursuit

05

COMPARABLE DNA, DISTINCT EXECUTION

Analog human memory becomes the last defense against digital erasure.

PROTAGONIST

Dr. Evelyn “Eve” Mercer

42 | AVIATION ACCIDENT INVESTIGATOR

PRECISION AS ARMOR

Brilliant, skeptical and controlled. Eve trusts evidence because people once failed her.

THE GOAL

Preserve the truth and protect 212 stranded passengers.

THE WOUND

She trusted clean paperwork over her husband. A bridge collapse killed him.

ARC **From certainty to moral courage.**

THE ANTAGONIST

Adrian Vale

50s | CEO, JANUS GLOBAL

CONTROL AS SALVATION

Calm, persuasive and chillingly practical. Vale believes MIRROR saves lives by deciding which identities are real.

CONNECTION

He weaponizes Eve’s faith in proof and offers her the comfort of a controlled truth.

“The system cannot fail if it owns the facts.”

THE ENSEMBLE

Six people the system cannot reduce to data

LEILA HADDAD
MIRROR’s architect, hiding behind a purchased identity.

PARK MIN-JAE
Security commander torn between protocol and conscience.

CAMILLE LAURENT
Cyber analyst who sees systems as refuge and weapon.

CAPTAIN MOREAU
Deceived pilot who chooses accountability over survival.

NOAH
Seven-year-old witness who remembers behavior, not records.

NIGEL CROWTHER
Caustic whistleblower living under someone else’s name.

STORY IN THREE ACTS

From impossible death to public reckoning

ACT I

THE IMPOSSIBLE PASSENGER

Inès dies in seat 13A. Conflicting manifests force Flight 714 into a sabotaged airport.

ACT II

THE SYSTEM CLOSES IN

Eve uncovers MIRROR, the Root Ledger and Leila’s true identity as Janus erases people in real time.

ACT III

TRUTH GOES ANALOG

Passengers resist with memory and paper. Vale falls, the Ledger surfaces and the real architect remains free.

VISUAL LANGUAGE

Cold systems. Warm evidence.

RAIN ON GLASS

WET STEEL

PASSPORT FIBERS

REDACTED RECORDS

PALE MANIFEST GREEN

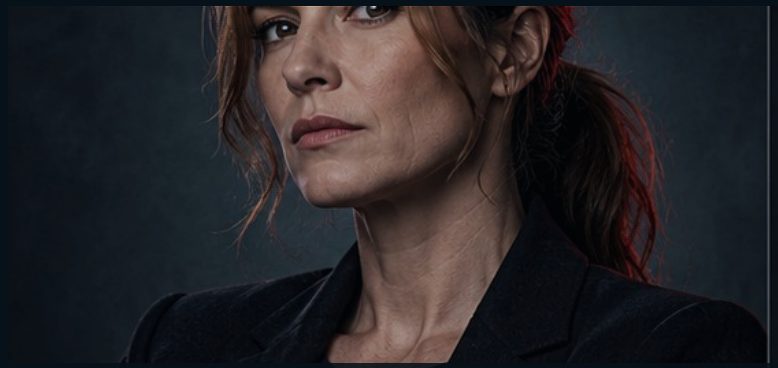

EMERGENCY RED

Analog objects carry emotion.
Digital surfaces carry threat.

PLATFORM FIT

Why it works for Netflix

01 **A one-sentence global hook audiences understand instantly.**

02 A female-led international ensemble built for worldwide reach.

03 One controlled location with the perceived scale of a global chase.

04 A timely identity, surveillance and data-control theme.

05 Trailer-ready action anchored by a distinctive analog-evidence motif.

06 A clean franchise engine through Elias Voss and surviving clients.
