

LOVE AFTER LIKES

Romantic Dramedy | 90-Minute Feature | For BET+, Lifetime, OWN, or Netflix

Created by Kelly R. Tenney | NCCA Entertainment Inc.

LOGLINE:

After a viral breakup wrecks her influencer image, a perfectionist beauty content creator checks into a phone-free retreat to regroup, only to fall for a soulful handyman who doesn't care about likes, follows, or filters. Now, she must choose between reclaiming her digital throne, or discovering who she is without the algorithm.

tone & style:

A warm, funny, and emotionally grounded rom-dramedy in the spirit of *The Perfect Find*, *Insecure*, and *Always Be My Maybe*. Set against the lush backdrop of Georgia farmland and the sleek edges of influencer culture, the story blends glossy aesthetic with soulful intimacy.

themes:

- The search for authenticity in a curated world
 - Emotional burnout and healing in the digital age
 - Black love, self-worth, and offline reconnection
 - Letting go of public image to find private truth
-

why it sells:

- Timely hook: influencer culture meets emotional healing
 - Low-budget, high-impact: a contained retreat setting with strong production design potential
 - Built-in audience of millennial women, Black creatives, and fans of rom-dramas with substance
 - Cross-promotional synergy with wellness brands, influencer platforms, and lifestyle media
-
